THE CLASS OF '47 continues the traditional McClurean Publication knowing full well the vital part it plays in school and community life. Its task of preserving fond memories is a noble one, but underlying is the greater task, that of arousing public interest, without which the progress of any school is retarded. It is our sincere hope that by creating this annual, we are playing a small part in keeping M.H.S. in the community limelight.

WE DEDICATE THIS ANNUAL to you, Underclassmen, not only because we know you as friends and associates, but also because you are "middle men" in the history of McClure Village School. Through you alone can our school continue to live and grow in honor and prestige. Hold high the spirit of M.H.S., and make loyalty to her a major concern, that students of the past may take pride, and students of the future gain benefit of your efforts.

BUSY MEN

OUR SUPERINTENDENT, Mr. Neiderhiser, is a man of tasks too numerous to mention. He has taken it upon himself not only to guide our school work, but to encourage us in being better school citizens. He received his education at East Huntington Township School, Findlay College Academy, and Columbia University. He teaches history, civics, and public speaking.

OUR PRINCIPAL, Mr. Middleton, is also a busy man. Besides his classes in chemistry, physics, algebra, science, and geometry, he must take charge of school attendance, and see that the schedule is carried out properly. His higher education was received at Kent, Bowling Green State University, and Defiance.

BEHIND THE SCENES

These are the unglorified, the IMPORTANT workers in the background at our school. Without them it could not function successfully. In choosing reading material and in doing research work, we receive help from our librarian, Mrs. Turner. When, near 12:00 noon, we begin to feel the need of nourishment, our cooks, Mrs. Busch and Mrs. Chamberlain, are on hand to provide lunch for us. Our janitor, Mr. Alspaugh, and his helper, Mr. Roach, keep our building neat, clean and warm. The bus drivers, Mr. Hull, Mr. Bohling, Mr. Brown, and Mr. Deilman, faithfully bring us to school in all kinds of weather. We are truly proud of our school personnel.

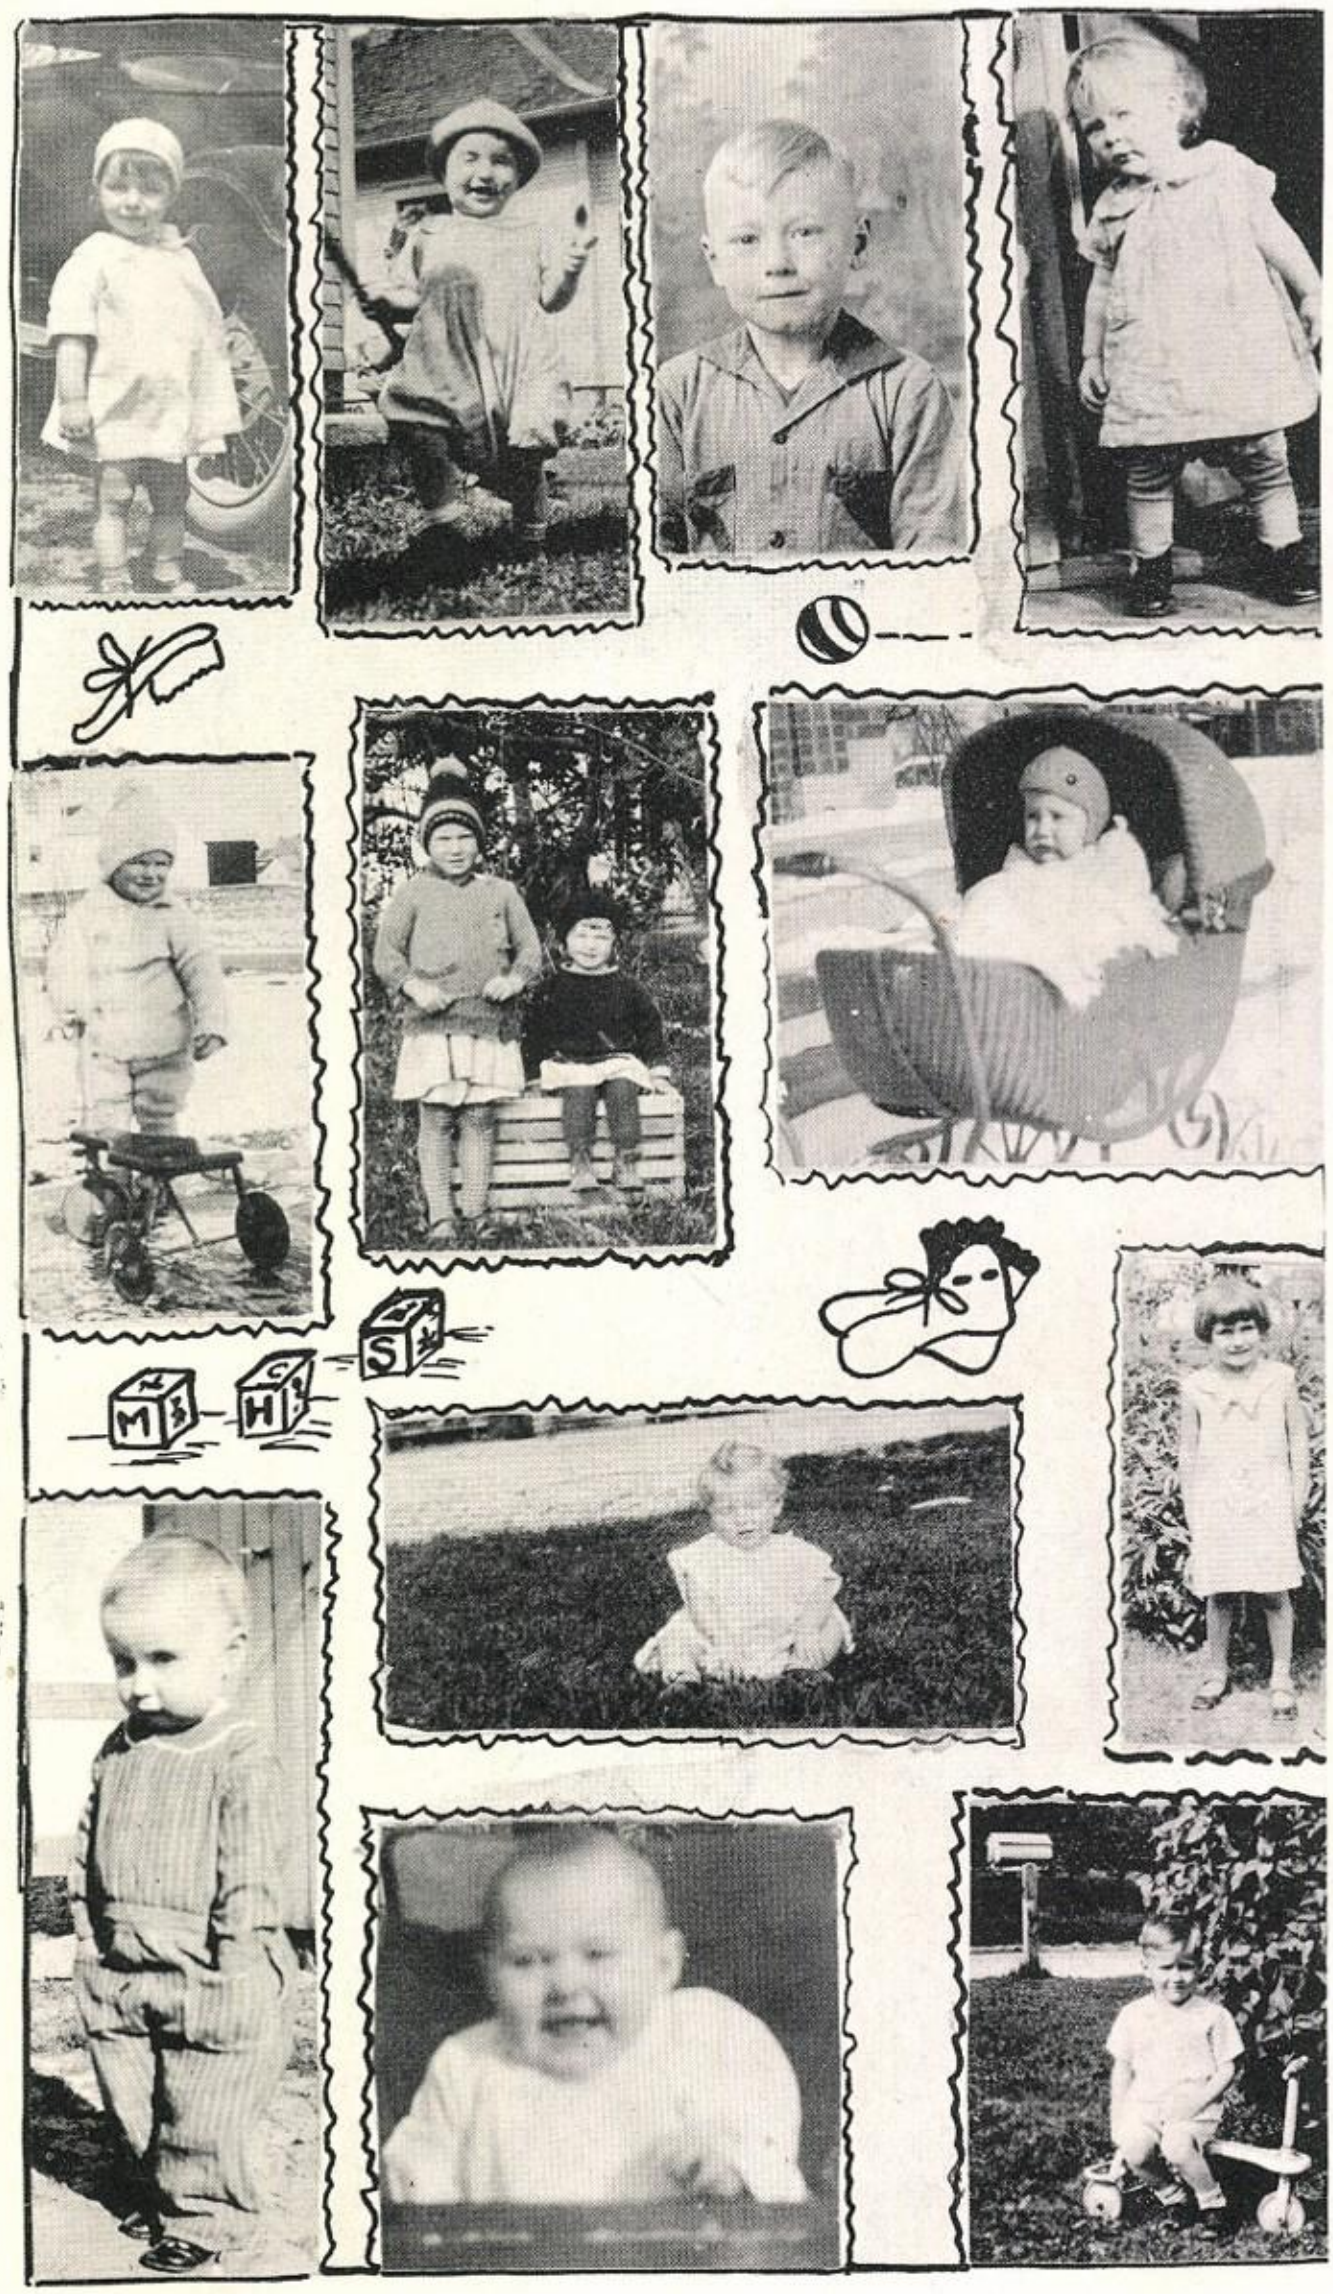
AS YOU WERE!



Though Family Albums were searched thoroughly, only twelve Seniors came up with evidence of having been "wee ones" at one time.

In the upper left hand corner, we see Shirley, who isn't a bit afraid of the camera—or the car!

Next to her is "Jim", who is still sporting that winsome smile.

"Hines" is next, and he thinks that taking pictures is a grim business!

The gal in the upper right corner is Nona, very curious about something.

All bundled up for a kiddy-car ride is "Jinny"!

Next to her is "Donnie", who wouldn't think of letting sister sit on the crate too!

The sad fella in the buggy is our own "Smiley"—believe it or not!

In the lower left corner we find Pauline—the coveralls belong to Bud C.

Sleepy girl sitting in the grass is Shirley G. She wants mamma!

Next to her is "Dort", standing very straight and tall.

Below Shirley G. is "Ila". They had to tickle her to make her laugh.

The cute kid on his kiddy-car is Allen J.—in a minute he'll go to get the mail.

PAST PORTRAYED

When the doors of McClure School were opened in the fall of the year 1936, twenty-seven excited children started their school life under the direction of Miss Eleanor Adler.

Miss Irene Bruns taught us in our second year, during which we had an enrollment of twenty-six. Two new members were added to our enrollment.

Miss Evelyn Peery was the "guiding hand" in our third grade. Our class increased to thirty-three members.

After leaving Miss Peery's room we were taught by Miss Florence Kistner in our fourth year. Our class enrollment was 30.

The fifth year we were under the instruction of Miss Bernita Gillespie with the total of 29 members.

We, as sixth graders, taught by Miss Betty Sockman, said good-bye to four classmates and welcomed two new members, making our number 30.

In our seventh year we were promoted to the high school floor which made us feel quite important. We then had a class of 32, and continued into the eighth grade with 24 members. Then we were ready to begin our high school life.

On September 3, 1943, twenty-eight Freshmen started on their short journey of four years. During the year we welcomed one new member. We elected the following officers for the year: Pres.—Richard Shepard, Vice Pres.—Ralph Shaneyfelt, Sec.-Treas.—Thelma Newlove, Class Sponsor—Miss Hibler. On October 1, the old custom of initiation was administered to us by the Sophomores, and this was returned with a party in honor of Sadie Hawkins Day, on November 16.

As Sophomores, 23 in all, we set our goals and attained them. We worked a little harder in our studies, but also had a good time while doing it. We elected the following officers: Donna Boyer—Pres., Ralph Shaneyfelt—Vice Pres., Dorothy Kinder—Sec.-Treas., and Mr. Middleton as sponsor. We gave the Freshmen the annual Initiation Party on Oct. (Friday) 13th, for which in return, they gave us a party.

With the goal of a successful school year in mind, our class of 19 elected Donald Spangler as President, Ralph Hines as Vice President, Jeanne Kramer as Sec.-Treas., Thelma Newlove as reporter, and Miss Hatcher as class sponsor. We increased our treasury by sponsoring a chicken supper and operating the refreshment stand at home basketball games. We presented a three-act play, "Uncertain Wings" under the direction of Miss Hatcher. The Seniors gave us a Game Supper November 19th. In return we gave the Junior-Senior Banquet, May 9th.

We entered our last year of school with twenty members. We elected the following officers for the year: Donald Spangler—Pres., Ralph Hines—Vice Pres., Ila Jean Arnold—Secy., Jeanne Kramer—Treas., and Mr. Neiderhiser as sponsor. Calvin Von Seggern entered our class at the beginning of the second semester after serving in the United States Army. He has come back to finish his schooling and receive his diploma. We gave the Juniors the annual Game Supper on November 20. They in return gave us the Junior-Senior Banquet on May 9th.

Our class has taken part in sports, music, scholarship tests and other activities throughout our 4 years in high school.

FATES FORETOLD

SCENE—the home of Mr. and Mrs. Ralph Hines

TIME—a summer evening in the year 1967

As we approach, the master of the house, Mr. Hines, is seated in a comfortable chair, reading his favorite newspaper, and talking to himself in low tones.

Ho-hum, reading the Blade is getting to be a dull pastime—never anything interesting in it anymore. Who wants to read about foreign diplomats, foreign correspondents, foreign affairs—seems as though everything is foreign these days, never anything familiar. What I want to see is a newspaper with real news, news about people I'm fond of, say, like my old classmates at M. H. S. This chair sure is comfy—now, wouldn't it be nice if a man could possess a newspaper that would give him a line on all his Class of '47 friends—a man could enjoy that—ho-hum, getting sleepy, I guess—

Well, this beats the bugs a' bitin'! ! This isn't the Blade—"Sentimental Sentinel", it says here, Editor-in-Chief, Thelma Newlove! ! It's hard to believe, from Newsette to newspaper in twenty years. She's doing all right!

Hm, weather report is right here in the corner, funny one too. "It's always fair weather, when good friends get together", by your weather boy, Ralph Shaneyfelt.

Interesting Headlines, "Senator Carrol introduces a new bill to the House". It is his hope that this bill will end forever all labor-management strife.

Here's a human interest story, "Chicago housewife was seized by a fit of giggling at her home three weeks ago, and has been giggling ever since. Experts trace this unusual phenomena to Mrs. Richard Shepard's high school days where, her husband submits, she was always giggling. She is the former Miss Ila Jean Arnold."

Another front pager, "Miss Pauline Shepard, head of Toledo's new Day Nursery, is lecturing this afternoon at Toledo University to a group of Home Economics students. Miss Shepard is considered an expert in the field of child care."

Say, this paper even has funnies, here's a clever strip, "Little Foo Lou", by Allen Jennings.

This must be the society page, "Mrs. Jay Wilson announces the wedding of her daughter Virginia to Johnny Fellabaum, a Toledoan." Say, she must have had trouble deciding on the man, let's see, she must be crowding thirty-eight by now.

Here's another interesting item. "Mr. and Mrs. Richard Ward are celebrating their 18th wedding anniversary today. They are residing near Perrysburg where they operate a modern filling station for heliocopters.

"Miss Shirley Wagner has boarded the Ocean Liner, "Lucinda", to travel around the world. Miss Wagner is said to prefer this old-time method of travel to the newer rocket planes because she likes to see where she's been."

Whatever could have become of my friend Ward, I wonder. Better look in the advertisements, never can tell. Well, here it is, "Get your copy now—the famous Ward Wenig's latest literary achievement, "How to Relax". In his popular book, Mr. Wenig explains the fine art of falling asleep under any conditions—your money back if not completely satisfied."

This sounds like one of my classmates. "Not responsible for any debts contracted by my wife. Mr. James Gerken, route No. 17, Westhope, Ohio.

Here's another, "For sale. A 1933 Ford—this is a genuine antique, turned down by a leading museum only because of a decorative picture on the door. This is a real buy, take advantage of it. Gilbert Dull, 137 Main St., McClure, Ohio.

Is that really Maurice Wells in this news picture. Yes, it shows him as he is crossing the finish line in a Cleveland Motorcycle race. The picture is rather blurred, wonde who, oh, yeah, it's taken by "Donnie" Spang ler, press photographer.

Well, look who has a column in the peact section, Miss Dorothy Busch's "Youngster: Be Atomic"—pretty clever.

Here's a front page story, "Miss Nonc Ruyf, experienced professional nurse, ha: just accepted a position in a New Yorl 'Home for the Aged.' When Miss Ruyf reac the registration cards she saw some familia names, Mr. F. J. Neiderhiser, Miss Cindc Hatcher, Mrs. Arlie Bokerman, Mrs. Nellie McClure, Mr. Ralph Rotsel, Mr. Howard Mid dleton, Mr. Loren Beck, and Mr. Farison Upon seeing these she is reported to have ex claimed, 'Who'd a thunk it'!"

Well, here it says, "Phil Spitalny has jus signed a new 3rd trumpet player. Her name is Donna Boyer. Mr. Spitalny tells us that she has been trying to enter his band for twenty years, and has had seventy-two interviews with him! !"

Ouch! ! Junior, Junior, put down that bean shooter. Gee, I must have fallen asleep—what a dream! Where's your mother, son? Jeanne, Jeanne, I fell asleep reading the paper, and I had the funniest dream, it beats the bugs a' bitin'! !

We find ourselves nearing the goal we first set, in the fall of 1936. Perhaps then, we didn't realize just what that goal was to be, or the obstacles we would meet along the way to accomplishment. Surely now, we can look back with pride, and say that all our tasks served only to strengthen us for greater deeds, and greater capacity for enjoying ourselves at the same time.

This year we have added to our treasury by serving refreshments at Basketball games, sponsoring a movie, "It Happened Tomorrow", a chicken supper on December 16, 1946, and several skating parties during the year. Our class play, "Bolts and Nuts", was a great triumph, and helped us to learn to co-operate with each other.

We wish to thank Mr. Brown for his splendid co-operation in sponsoring our class the first semester. Miss Hatcher sponsored our class the second semester.

Above are some of the rooms in which we work daily. A great deal of time and effort has been spent in making our classrooms convenient, neat, and well-equipped.

In recent years, new equipment has been added to the typing room and farm shop, and a new home economics department has been built. This year we saw that department completed, making it a classroom that the school and community can well be proud of.

This year also, the P.T.A. has sponsored a painting campaign. Thanks to the aid of parents, teachers, and pupils alike, the upstairs. grade rooms, chemistry lab, typing room, and halls on both floors now have a new coat of paint. It is this kind of help-each-other spirit that will put our school on top, and we sincerely hope to see that spirit continued.

This year the Newsette first "went to press" on October 4th. It was planned to publish one volume each two weeks, and that schedule was held until near Christmas time, when bad weather kept us from school.

Our Editor, Thelma, took her position seriously from the first day, and in spite of having had no experience with the school paper, organized the staff, and got the first volume underway. Since then she has kept the Newsette rolling, and written many inspiring editorials.

The "Latinos Amicos" club was organized this year. It is composed of students of Latin I and II.

The purpose of our club is to establish a means whereby the students may familiarize themselves with the customs of Roman People and with the Latin language.

We chose as our motto, "Labor vincit omnia", and purple and gold as our colors. The rose was chosen as our club flower. We selected the pin which represents the "Torch of Learning", as our club pin.

Miss Hatcher is our club sponsor, and we sincerely thank her for the helpfulness she has given us.

OUR MUSIC DEPARTMENT

These music groups were in existence the first semester. Since our music teacher, Mr. Brown, resigned at mid-year, all have been discontinued except Toy Band. The grade teachers of this group have endeavored to keep this organization alive, because it is a source of a great enjoyment to the pupils, and helps to keep them interested in music until better arrangements can be made.

The teacher shortage is still a problem, but we are hoping that next year will find us with a capable instructor for our music department.

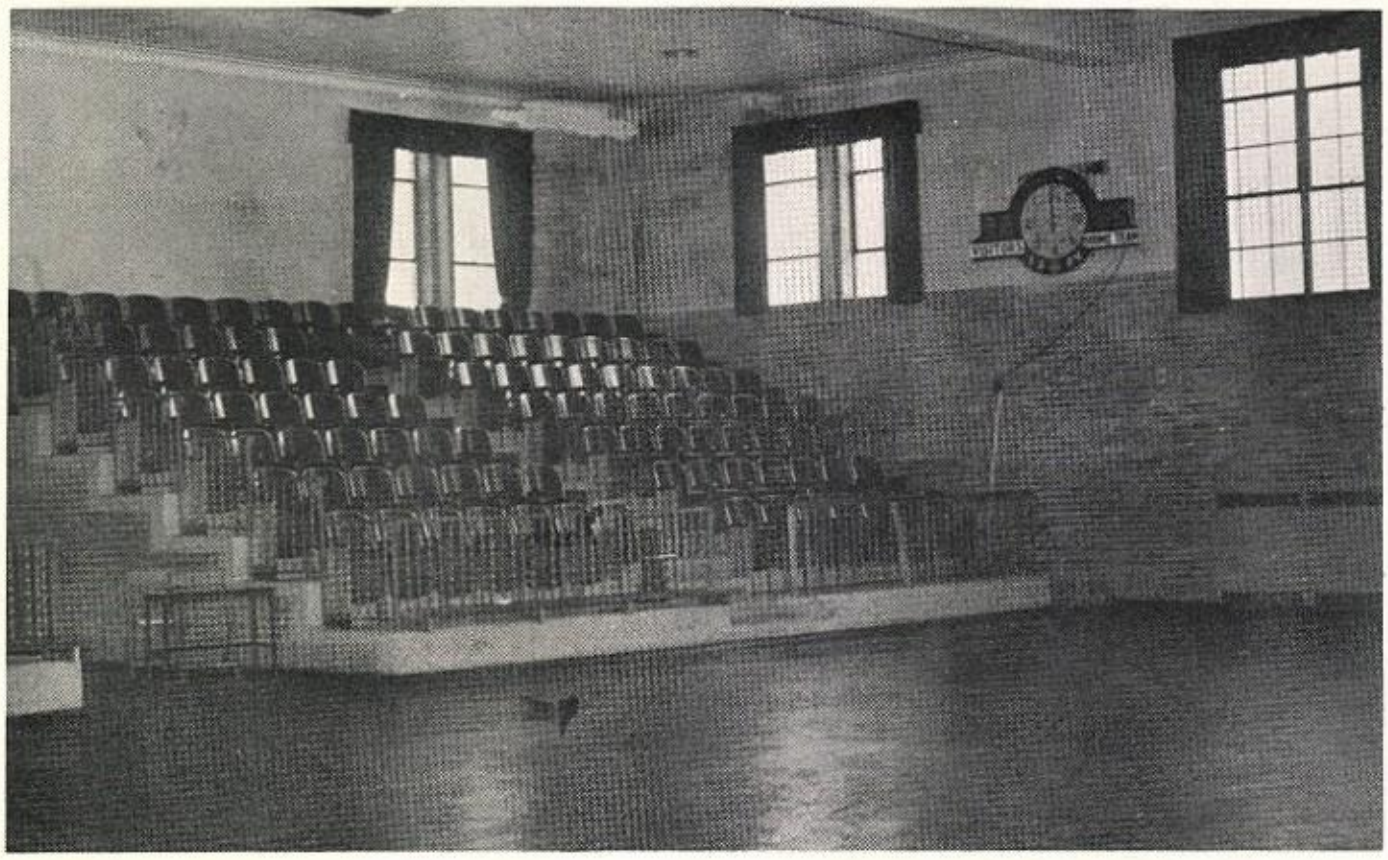
SPORTS



PEP SONG

Rah, rah, for Mc
Mc must win
Fight to the finish
Never give in, rah, rah, rah,
You do your best, boys
We'll do the rest, boys
Fight on to Victory
RAH! RAH! RAH!

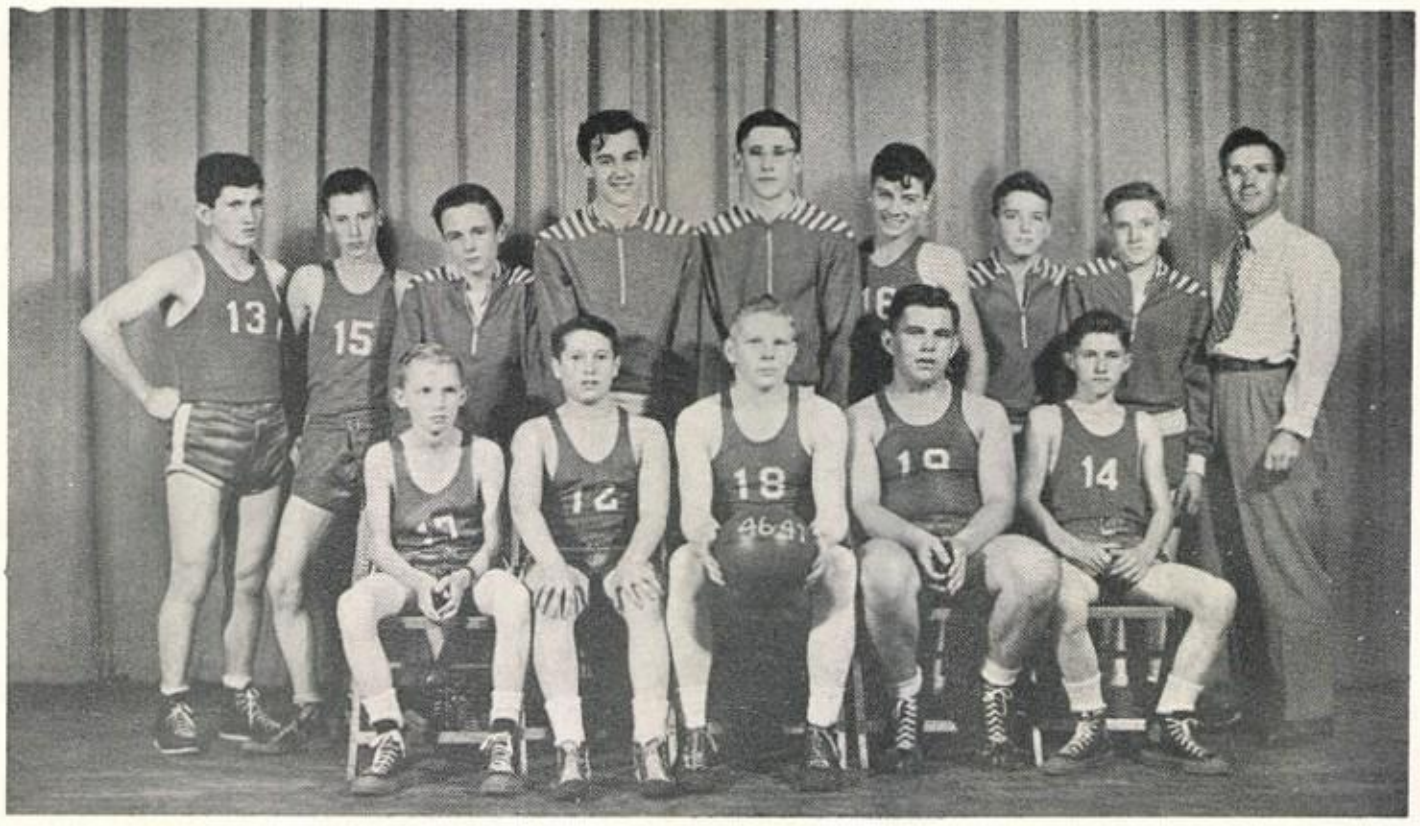
Meet the new Cheer Leaders. They are, Doris "Red" Jennings, Melva "Blondie" Booth, and Louise Middleton (who's glad her hair is just plain brown). Clad in new uniforms, they made a cheerful addition to McClure rooting stands. These three girls were faithfully present at every game, leading the yells, whether the crowd was large or small. They deserve much credit for the kind of yell-spirit they put into each game. Keep up the good work, girls!

COACH ROTSEL

Mr. Rotsel is a new personality at M.H.S. He was born in Bryan, Ohio, and received his higher education at Bowling Green State University. Having served Uncle Sam, he is now doing a fine job of serving on our teaching staff.

Coach Rotsel found his team-to-be, in great need af extra material, because of the graduation in '46 of most of the regular varsity. He has built his teams on the material at hand, and we feel that he has done a good job. Our man Rotsel has an "eye out" for the younger boys, and is training them early for their basketball careers. His leadership qualities will go far in keeping M.H.S. in the "sports race".

RESERVE TEAM



BACK ROW—Robert Wenig, Delbert Clark, Keith Shellar, Ralph Shaneyfelt, Allen Jennings, Sheldon Preston, Dick Rudolph, Jim Good, Mr. Rotsel.

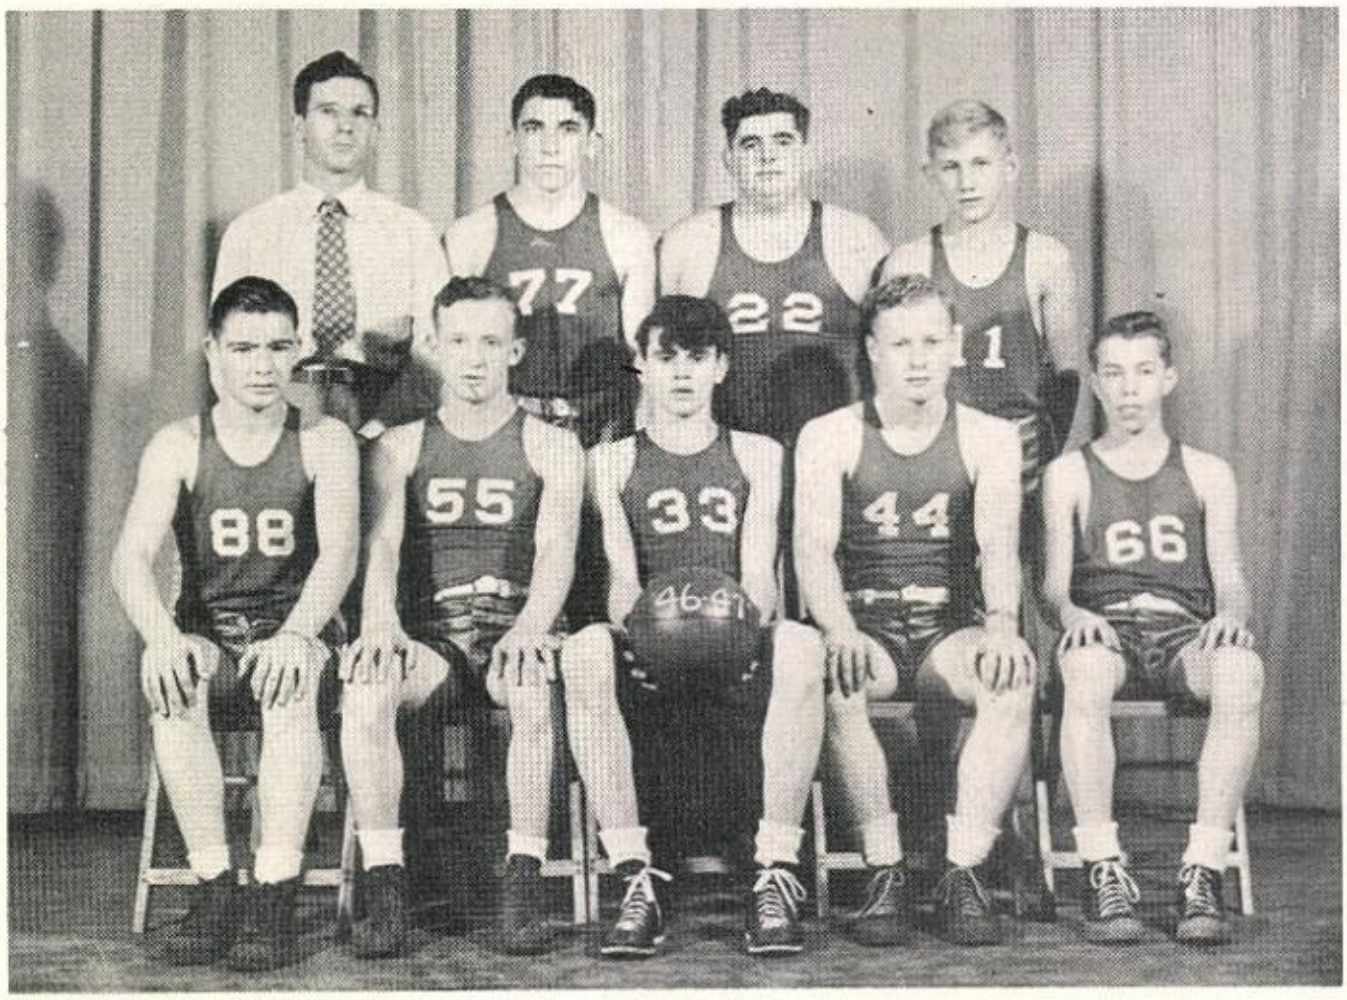
VARSITY TEAM



BACK ROW—Mr. Rotsel, Bud Merrilat, Donald Spangler, Bobby Behnfeldt.
FRONT ROW—Bill Alspaugh, Richard Shepard, Johnny Allen, Ralph Hines, Lee Miller.
Calvin Von Seggern and Ward Wenig joined the team after this picture was taken.

Spangler
Don gave his opponents plenty of trouble by his expert ball hawking. He, like Wenig, was an expert at interception. Don's special shot was a one hander down the right side of the floor, and he made them at the right moment. Good luck, Don.

Shepard
"Cork" proved to be as valuable a team player as we had—many times he passed the ball to a teammate when the chances were very good for him to score too. He led the way in scoring in several games. His ball handling paved the way for more than one basket.

Hines
Ralph certainly lived up to everyone's expectation in basketball this year. He was a toughie on the front line of defense and a sharpshooter under his own basket. Ralph's top for the season was 22 points against Florida. His basket making ability will be missed next year.

Allen
"Stretch"—our tallest!—discovered late in the season that he too could score points. John will be back next year, and should make the loss of Ralph and Cork a little easier to take. Good luck next year, John.

Von Seggern
D. D. joined the squad after working for Uncle Sam. He added to the height of the team, and his one handers from the foul line area helped boost our score on several occasions. He gave Stretch much needed help under the basket.

Wenig
Ward was one of our "fightenest" players—he kept plugging and passing away until the last whistle. He played outstanding games against Florida and Malinta. He interrupted passes time and again, that would have meant scores for the oppositions. He didn't score many points during the season but made those count the most that he did make.

Our hope-fuls for next year includes Lee Miller and Paul Hartman, Juniors, Bill Alspagh, Sophomore, and a host of Frosh with the most outstanding being Bryce Bossa and Bob Behnfeldt.

Jay M. Brown, Director

CHAPEL

A Chapel service is held in the auditorium every Friday afternoon if possible. This service includes the singing of our National Anthem, salute to the flag, scripture reading, a short message, singing of hymns, The Lord's Prayer, and the Doxology.

We try to bring in local ministers, and those from near-by towns, to bring us the messages. The students take part in the services, which are planned by Miss Hatcher.

We have had many compliments on our Chapel services, and they are indeed a credit to our school.

WHY WERE THE SAINTS, SAINTS?

Because they were cheerful
When it was difficult to be cheerful,
Patient when it was difficult to be patient;
And because they pushed on when they wanted to stand still,
And kept silent when they wanted to talk,
And were agreeable when they wanted to be disagreeable.
That was all.
It was quite simple and always will be.
